

Unclaimed Capital Credits: Is your name on the list?

Halifax EMC seeks to return refunds to former members and/or current members whose capital credit checks were marked undeliverable. If you know any of these people, please pass the word to them to contact Halifax EMC at 252-445-5111 to claim their refund.

Halifax EMC continues to retire capital credits that accumulate to the estates of deceased members. If an application for a capital credit refund has not been submitted

to the cooperative on behalf of a deceased member, the executor/executrix of the deceased member's estate may apply at the cooperative's offices for the capital credits.

NOTE: This listing is in alphabetical order with last names first: however, some names may be listed alphabetically by first name. When looking for a name, check either order. If your name is not listed, you are not due capital credits.

Important Note: Before You Call

Please note that capital credits recipients will be required to provide proof of identity to claim ownership.

The above names are former members for which Halifax does not have correct mailing addresses.

If you do not see your name on the list above, you are not owed any capital credits.

Unclaimed capital credits must be turned over to the state treasurer's office if they are still unclaimed after four years. You can still receive these credits, but you must contact the treasurer's office to do so.
