## Bright Ideas Grants Awarded

Halifax EMC honored teachers and celebrated innovation in education in November by awarding over \$5,700 in Bright Ideas grants to educators in Halifax and Warren counties. The grants will fund seven projects that will touch the lives of more than 700 local students.

The teachers were honored at a dinner in Greenville, N.C., at the Murphy Center located in

the ECU Sports Complex. Words of encouragement and thanks were offered by ECU Director of Athletics Jeff Compher.

Bright Ideas grant applications are collected each year through mid-September, and winning proposals are selected in a competitive evaluation process by a panel of judges. The application process will reopen for teachers in April 2014.

## Halifax EMC seeks to return refunds to these people

The listing on the following pages contains names of former HEMC members and/or current members whose capital credit checks were marked undeliverable. If you know any of these people, please pass the word to them to contact Halifax EMC at 252-445-5111 to claim their refund. Halifax EMC continues to retire capital

credits that accumulate to the estates of deceased members. If an application for a capital credit refund has not been submitted to the cooperative on behalf of a deceased member, the executor/executrix of the deceased member's estate may apply at the cooperative's offices for the capital credits.

NOTE: This listing is in alphabetical order with last names first; however, some names may be listed alphabetically by first name. When looking for a name check either order. If your name is not listed, you are not due capital credits.

# Annual Meeting 2014

Save the date for Halifax EMC's 75th Annual Meeting to be held Saturday, May 17. In December the Board of Directors selected a member from each of the directorate districts to serve on the Nominating Committee for the 2014 Annual Meeting of the Members.

The committee will meet February 6 to make their nominations for Districts 3, 5 and 7. Any member who would like to be considered as a candidate for Districts 3, 5 or 7 of the Halifax EMC Board of Directors may contact the cooperative office after January 1 for the names of the Committee on Nominations members. Members then contact the committee member in their districts to indicate their desire to be candidates. The incumbents for these seats are Jerry Packer, District 3; Robert F. Harris, District 5; and Richard Greene, District 7.

## Director Qualifications

- must be a bona fide member of Halifax EMC in his/her own name;
- must have their primary residence in the directorate district for which he/she seeks election

### Candidates may be nominated for the Board by two methods:

#### 1) By Petition

Any 30 or more members of the co-op acting together, may make nominations by petition. The petition must include the member's legal signature and name printed legibly, member number, listing of nominee(s), the directorate district(s) for which they would represent, and the name of the incumbent director(s), if any. The petition must be filed with the Corporate Secretary no later than 5 p.m. March 14, 2014.

#### 2) By Committee

The second method for nominating candidates is by a Committee on Nominations – consisting of nine members appointed by the Board, one each from Districts 1 – 7 and two at large from District 8.

The appointments to this committee are made at least 115 days prior to the Annual Meeting. The Committee on Nominations then meets and prepares a slate of candidates that is posted in the Enfield office no later than 5 p.m. on February 7, 2014. Any member who would like to be considered as a candidate for Districts 3, 5 or 7 of the Halifax EMC Board of Directors may contact the cooperative office for the names of the Committee on Nominations, and then contact the committee member in their district to indicate his or her desire to be a candidate.

## Floor Resolutions

Any proposed resolutions of matter for consideration to be acted upon by the membership must be submitted in writing to the Corporate Secretary no later than 30 days prior to the meeting.
