

Local Youth Attends Roy Williams Basketball Camp

Matthew Richardson of Haliwa-Saponi Tribal School participated in the Roy Williams Basketball Camp in Chapel Hill on a scholarship from Halifax Electric Membership Corporation. Matthew is the son of Howard and Gwen Richardson.

Matthew was one of the 29 deserving young men awarded scholarships from North Carolina's Touchstone Energy Cooperatives to attend the Roy Williams Basketball Camp this year. Winners of the Roy Williams Basketball Camp scholarship were selected by a panel of judges who reviewed an application that included an essay about the students' reason for wanting to participate in the camp. Matthew was selected based on the excellence of his application and accompanying essay. The Roy Williams Basketball Camp was held June 21-26 at the University of North Carolina at Chapel Hill.

"Halifax Electric Membership Corporation is excited to have had the opportunity to send this commendable young co-op member to a basketball camp with a nationally renowned coach," said Charles Guerry, Executive Vice President of Halifax EMC.

This is the third year that North Carolina's Touchstone Energy cooperatives, including Halifax EMC,

have sponsored young men to attend the Roy Williams Camp. North Carolina's Touchstone Energy cooperatives have also provided

scholarships for young women to attend the Kay Yow Basketball Camp in Raleigh for the past five years.

The Touchstone Energy Sports Camp Scholarship program is part of the electric cooperatives' ongoing commitment to North Carolina communities.

Deadline Coming Soon for Bright Ideas Grant Applications!

Teachers, do you have a creative or innovative bright idea for a teaching program? If so, turn that idea into a grant through the Bright Ideas Grant Program sponsored by Halifax EMC and the North Carolina Touchstone Energy Cooperatives.

Teachers may apply for grants online at www.ncbrightideas.com for individual or team grants ranging from \$500 to \$2,000 for grades K-12 in all curriculum areas.

Funds from the Bright Ideas program help to fund creative and innovative teaching programs that cannot be funded through the normal school budget. So, if you have a bright idea, turn it into a grant to help enhance your students learning experience.

Deadline for applications (September 26) is fast approaching. So get your applications in!

Apple-Corn Muffins

- | | |
|------------------------------------------|------------------------------------------------|

corn muffin mix | 2 small sweet apples,
peeled, cored, grated |
| 2 eggs | 1 tsp pumpkin pie spice |
| ½ cup milk | ½ cup chopped pecans |
| 3 tbsp sugar | |

Heat over to 400°. Coat the cups of a jumbo muffin pan with nonstick cooking spray. In a large bowl, combine muffin mixes, eggs, milk, grated apple, 2 tablespoons sugar and the pumpkin pie spice.
