New Employees Join Co-op Family

Halifax EMC welcomed two new employees into the Co-op family during the month of August.

Jeffrey Tomlinson joins the Co-op as a Lineman II. He was previously employed by C.W. Wright Construction. Jeffrey lives in Roanoke Rapids and has two daughters, Brianna and Camryn. His hobbies and interests include football, basketball, soccer, fishing and biking.

Craig Abbott comes to us as an Apprentice Lineman. He was also previously employed in construction by Basco Construction. Craig resides in Norlina and enjoys fishing, hunting and woodworking.

Both gentlemen successfully completed the Lineman Training Program at Nash Community College.

Halifax EMC Seeks to Return Capital Credits to These People!

The listing on the following pages contains names of former HEMC members and/or current members who have not cashed their capital credit checks or whose checks were returned to the office. If you know any of these people, please pass the word to them to contact the Enfield office of Halifax EMC at 252-445-5111 to claim their refund. Halifax EMC continues to retire capital credits that accumulate to the estates of deceased members. If an application for a capital credit refund has not been submitted to the cooperative on behalf of a deceased member, the executor/executrix of the deceased member's estate may apply at the cooperative's office in Enfield for the capital credits.

NOTE: This listing is in alphabetical order with last names first; however, some names are out of order. When looking for a name, check either order. Names A - K were run in the August issue.
